

NEW! SCHOOL CLOSURE NOTIFICATIONS

A new school closure notification is being added to our communication efforts to inform families on days when school is closed, and to ensure that students remain safe.

When extreme weather calls for school closures you will now receive a recorded phone call from Superintendent Randy Dueck beginning at 6:45 am.

It is our hope that this additional communication effort will help to ensure that all students will be aware of school closures and no students will find themselves in an unsafe situation where they may be facing extreme weather unnecessarily.

We will continue our current communications processes of broadcasting the school closure information on local and Winnipeg radio as well as providing a clear school closure notice on our website, www.hsd.ca.

To ensure that the system is working appropriately, a test call will be made on the evening of Thursday, January 9 beginning at 7:00 pm. If you do not receive a test call on Thursday evening please contact your school to ensure that they have your correct telephone information.
